WHAT THE HONG LIST CONTAINS

At the beginning of the book will be found a General Index and an Index to Advertisers; also English, Chinese, Jewish and Mohammedan calendars and a list of holidays, festivals, etc.

SHANGHAI HONG LIST.—This section consists of all firms, institutions, missions, consulates, etc., in Shanghai, with staffs, arranged alphabetically. The following are the only general headings used in this section:

Chambers of Commerce	Consulates
Churches	Hospitals
Clubs and Associations	Missions
Colleges and Schools	

SHIPPING.—A directory of naval vessels at Shanghai and on the Yangtze and an alphabetical list of mercantile marine officers.

RAILWAYS.—A list of Northern Railways of China, with their foreign and native staffs, including those resident in Shanghai.

AGENCIES.—Agencies held by Shanghai firms are listed alphabetically, with the firm's name after them. If, therefore, you wish to find any agency held in Shanghai refer to the Agents' Directory, which will give you the name of the firm handling it.

TRADE DIRECTORY.—A list of all Shanghai firms under their professional or trade headings.

SHANGHAI WHO'S WHO.—An alphabetical list of business men and women of Shanghai, with their office addresses.

RESIDENTIAL DIRECTORY.—A list of the foreign residents of Shanghai, arranged alphabetically, with their private addresses.

STREET DIRECTORY.—A list of the streets of Shanghai in English and Chinese, with the occupants of all foreign and many Chinese houses, offices, and stores.

OUTPORT HONG LIST.—A list of Northern and Central China cities and outports with foreign firms and institutions and their staffs.

OUTPORT WHO'S WHO.—An alphabetical list of foreign residents in Northern and Central China, compiled from the Outport and Railway Sections of this work.

OUTPORT MISSIONARIES.—Classified alphabetically by provinces. Under the names of the provinces are given the towns where missions are established, with list of residents. This is divided into two sections: (1) Protestants, (2) Roman Catholics. Mission Institutions, including Schools, Colleges, etc., will be found under the respective Ports.

MISSIONS WHO'S WHO.—An alphabetical list of missionaries of each denomination, compiled from the previous section.

GENERAL.—Diplomatic,, postal, exchange and other information.

How To Use The Hong List.

Refer to a person's name in Who's Who, which is followed by his firm's name.

The firm's name in List of Hongs will give the business address and other information.

A person's name in the Residential Directory (Shanghai) is followed by the resident's private address.

In Shanghai a private address in the Street Directory will give the approximate position of the house.

Special Attention is drawn to the Agency List, following the Shanghai Hongs. This contains over two thousand agencies held by Shanghai firms. If you wish to communicate with the agents for Campbell's soups, Kraft cheese, Underwood typewriters, etc., refer to this list, which will give you the local agent's name.

Corrections or omissions should be addressed to the Hong List, North-China Building, Shanghai. They will be greatly appreciated and will be made use of in the next edition.

is the

LUXURY TRAIN

You will find every luxury of modern railway travel aboard "The Olympian"—plus a crowning luxury that no other transcontinental limited affords.

"The Olympian" is drawn across the mountain ranges by *electric* power—behind the mightiest locomotives in the world—smokeless, sootless, cinderless. Its course is without jar or jolt, smooth, swift, and depenable! "Olympian" equipment is likewise the last word in travel comfort and convenience—luxurious sleeping cars, observations-club car, barber and oath, ladies' lounge, dining cars serving famous "Milwaukee" meals.

Owned entirely by the "Milwaukee" manned by attendants who are all "Milwaukee" employes, "The Olympian" is completely at the service of its passengers.

"The Olympain" leaves Seattle 9.30 a.m., Arrives Chicago 9.25 o'clock the third morning, thus affording splendid connections with the fastest and best trains for all points East and South.

The only line operating transcontinental trains by electric power.

The only line owning and operating its own sleeping cars between Seattle and Chicago.

The only line operating over its own rails all the way between Puget Sound and Chicago.

The shortest line from Seattle to Chicago.

THE

North-China Daily News

ESTABLISHED IN 1864

To the Reader

The "North-China Daily News" writes the history of China. It records the pulse of its politics; it reports the conditions of its finance and its markets; and it chronicles the daily doings of its people.

To the Advertiser

The greatest purchasing power in China is that possessed by readers of the "North-China Daily News." It is the newspaper which is found in every office, consular or commercial; it is most frequently quoted both by the foreign and vernacular press; and it is the one newspaper which combines a quality with a quantity circulation—being the largest both in size and circulation in China. It is the only newspaper publishing periodical audited circulation statements.

Subscription: Mex. $28 per annum.

(Postage Extra).

The North-China Herald

ESTABLISHED IN 1850

Is the weekly edition of the "North-China Daily News" for readers abroad. It contains 95 per cent. of news and is the best medium for keeping in touch with events in China when when out of reach of the daily.

Subscription: Mex. $16 per annum.

(Postage Extra).

Copies of either of the above publications will be sent to anyone interested on request.
